### Dialing Information

To assist leaders and participants in ensuring that the correct country access method is used, the information in the table below provides a guide for all conference call participants.

For specific questions on any of the local carriers mentioned below, please contact the relevant carrier directly.

---

<b>Global Access Country</b>	<b>Access Information for Call Leaders and Participants</b>
Canada	Participants and leaders located in Canada can dial the US Toll number to access their conference call. Participants and leaders in Quebec and Ontario provinces can also use the US Toll Free access number.
China Local Toll	Normal dialing rules apply to local access numbers for participants using a local China access number. This number can be accessed from anywhere in China, but can only be accessed within China
China Freephone A	Participants should use the China A Freephone (provided by China Unicom) number when dialing from North China (Beijing, Tianjin, Heilongjiang, Jilin, Liaoning, Shandong, Hebei, Henan, and Inner Mongolia). <i>Landline format for China A Freephone is (+86-10800-712-xxxx)</i>  China Toll 400 will work for all Regions including mobile users (+86-400-810-xxxx); however, there is a local access charge for using 400 numbers.
China Freephone B	Participants should use the China Freephone B (provided by China Telecom) number when dialing from South China (Shanghai, Jiangsu, Zhejiang, Anhui, Fujian, Jiangxi, Hubei, Hunan, Guangdong, Guangxi, Hainan, Chongqing, Sichuan, Guizhou, Yunnan, Tibet Autonomous Region, Shan(3)xi, Gansu, Qinghai, Ningxia, Xinjiang Autonomous Region). <i>Landline format for China B Freephone is (+86-10800-120-xxxx).</i>  China Toll 400 will work for all Regions including mobile users (+86-400-810-xxxx); however, there is a local access charge for using 400 numbers.

Colombia	Normal dialing rules apply to freephone numbers for participants using a Colombian access number, although access is only available from a fixed line phone.
Greece	Normal dialing rules apply to both local access and freephone numbers for participants using a Greek access number, however these numbers cannot be dialled outside of Greece.
India Freephone A	<p>Participants require IDD to be enabled in order to use India A freephone access. Participants will need to be connected to one of the following local carriers for their call to connect to the conferencing bridge:</p> <ul style="list-style-type: none"> <li>• BPL</li> <li>• MTNL</li> <li>• BSNL (all regions but Bhopal)</li> <li>• TATA</li> <li>• TouchTel - from Chennai and Delhi</li> <li>• Reliance</li> <li>• Bharti</li> </ul> <p>Also supported is mobile connectivity from Hutchison mobile, TATA, Reliance, Vodaphone and Bharti Airtel. No other carriers are supported. Other restrictions may apply based on participant location and carrier utilized.</p>
India Freephone B	<p>Participants require IDD to be enabled in order to use India B freephone access. Participants will need to be connected to one of the following fixed and mobile carriers:</p> <ul style="list-style-type: none"> <li>• Reliance</li> <li>• Bharti / Airtel</li> <li>• Vodaphone</li> </ul> <p>Landline participants can access from the following cities: Ahemdabad, Amritsar, Bangalore, Chennai, Cochin, Delhi, Ernakulam, Jaipur, Jalandhar, Kolkotta, Mumbai, Nagpur, Hyderabad, Pune, Chandigarh and all major cities.</p> <p>Mobile participants can access from the following states: Andhra Pradesh, Assam, Bihar, Gujarat, Himachal Pradesh, Haryana, Jammu &amp; Kashmir, Karnataka, Kerala, Maharashtra, Madhya Pradesh, North East, Orissa, Punjab, Rajasthan, Tamil Nadu, UP (East), UP (West), West Bengal.</p> <p>Other restrictions may apply based on participant location and carrier utilized.</p>

India Freephone C	<p>India C has no IDD requirement; therefore end-users dialing into India C will not need to have IDD service enabled on their phones. Participants subscribed with the following fixed and mobile carriers that operate on corresponding licensed circles can dial India C freephone:</p> <ul style="list-style-type: none"> <li>▪ Reliance</li> <li>▪ Bharti / Airtel (all licensed circles except Jammu &amp; Kashmir and North-East)</li> <li>▪ Tata</li> <li>▪ BSNL (all licensed circles except Jammu &amp; Kashmir and North-East)</li> <li>▪ MTNL</li> <li>▪ Vodafone (all licensed circles except West Bengal &amp; Andaman)</li> <li>▪ Other carriers including : Idea, Aircel, HFCL, Spice, Shyam, Dishnet, BPL, Loop Mobile</li> </ul>
India Local Toll	Normal dialing rules apply to the local access numbers for participants using an India local / toll access number.
Indonesia	Participants require IDD to be enabled in order to use freephone access from Indonesia. Participants need to be connected to IndoSat for their call to connect to the conferencing bridge. No other carriers are supported.
Japan	<p>Freephone numbers in the format of 0034-800-xx-xxxx can only be used by participants if their local carrier is NTT. Mobile phone users of freephone numbers in the format of 00531 xx(x)xxxx can only be used if subscribers pre-register with KDDI. To register, users can call 0077-7160 from their mobile phones.</p> <p>Some IP phones may be restricted from dialing the Japan Freephone number.</p>
Malaysia	Participants using the Malaysia freephone number will need to be connected to Telekom Malaysia or the call will not be able to be connected.
Mexico	Normal dialing rules apply to both local access and freephone numbers for participants using a Mexico access number although Telmex is unable to provide access from payphones.
New Zealand	Normal dialing rules apply to both local access and freephone numbers for participants using a New Zealand access number, however mobile phone users are not able to use the freephone numbers and are advised to use the local access number provided.
Philippines	<p>Participants require IDD to be enabled in order to use freephone access from Philippines. Participants will need to be connected to either one of the following local carriers for their call to connect to the conferencing bridge:- Globe or PLDT. No other carriers are supported.</p> <p>Normal dialing rules apply to the Philippines local access numbers.</p>

Russia	Participants using the Russia freephone number will need to be connected to Rostelcom or the call will not be able to be connected. Mobile access is not available.
Saudi Arabia	Normal dialing rules apply to freephone numbers for participants using a Saudi Arabia access number. Mobile phone access is available with STC only.
Taiwan	Normal dialing rules apply to local access numbers for participants using a Taiwan number, however mobile phone subscribers of KG Telecom will be unable to connect on their mobile phone.
Thailand	Participants require IDD to be enabled in order to use freephone access from Thailand.
Turkey	Normal dialing rules apply to freephone numbers for participants using a Turkey access number from a fixed line or payphone. Mobile phones and devices will be unable to connect.
USA	Normal dialing rules apply to both local access and freephone numbers for participants using a USA access number. Certain South American countries cannot dial the US local access number. Participants in South America are advised to contact their local carrier for guidance.
Vietnam	Freephone service is accessible from VNPT fixed, VNPT Mobile (Vinaphone), and SPT mobile. Access from Mobifone was discontinued in July 2018.
