

Advanced and Customized Net Conference Powered by Cisco WebEx Technology

Installing and Using Productivity Tools

To utilize your WebEx Net Conferencing Service from applications you use every day:

You can install WebEx Productivity Tools to start or join meetings instantly using One-Click, Microsoft Office, Web browsers, Microsoft Outlook, IBM Lotus Notes, and instant messengers; or to schedule meetings using Microsoft Outlook or IBM Lotus Notes, without going to your WebEx service site. After you install WebEx Productivity Tools, you can log in and set options for your WebEx account, set meeting options for instant meetings and scheduled meetings, set preferences for the One-Click panel, and select which Productivity Tools you will use with WebEx.

This user guide is intended to instruct you on how to Download and use the Productivity Tools Plug-In. The Productivity Tools Plug-In provides you with the ability to schedule your Net Conferences (including audio integration) from applications you use everyday.

Note: Please follow the instructions in the Advanced and Customized Net Conference User Guide to establish your Advanced and/or Customized Net Conference subscription in order to schedule and conduct net conferences from Manage My Meetings or your WebEx homepage.

Productivity Tools include integration with WebEx services via:

- Microsoft Outlook
- Lotus Notes
- One-Click
- Instant messengers:
 - Yahoo Messenger
 - Google Talk
 - Skype
 - AOL
 - Windows Messenger
 - Lotus Sametime
- Microsoft Office applications:
 - Word
 - Excel
 - PowerPoint
- Microsoft Internet Explorer
- Mozilla Firefox

Productivity Tools Download:

Before installing WebEx Productivity Tools, ensure that your computer meets the following minimum system requirements:

- Microsoft Windows 2000, XP, 2003, Vista
- Microsoft Internet Explorer 6.0 SP1 or 7.0, or Firefox 2.0 or 3.0
- Intel x86 (Pentium 400MHZ +) or compatible processor
- JavaScript and cookies enabled in the browser

To install the Productivity Tools software please, following these instructions:

- Go to: <http://verizonbusiness.com/conferencing>
- Go to **Leader Tools** and click on the **Net Conferencing Plug-Ins** in the drop down menu

- Download the **Download Productivity Tools** Plug-In:
 - Click on **Run** and follow the instructions
 - After the installation is complete, WebEx integration options appear in Microsoft Outlook allowing you to quickly schedule an online meeting.

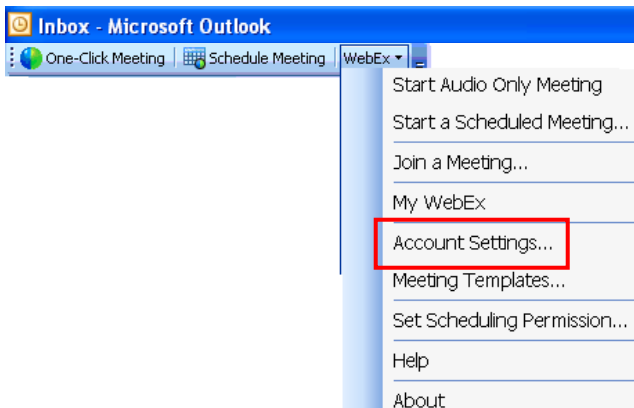

The following table describes the WebEx Integration toolbar buttons.

Button	Description
One-Click Meeting	Starts a One-Click meeting. A One-Click meeting is an instant meeting that you can start at any time, without having to schedule the meeting in advance. For details, refer to the <i>One-Click User's Guide</i> on your WebEx service Web site. You can specify options for instant meetings on the Instant Meetings tab of the WebEx Settings dialog box
Schedule Meeting	Clicking this button opens the Outlook Appointment window, which contains Integration to Outlook options for scheduling an online meeting. You can specify options for scheduled meetings on the Scheduled Meetings tab of the WebEx Settings dialog box. Note: the Meeting window in Outlook also contains the WebEx integration options.
WebEx Settings	Clicking this button opens a menu that provides the following options: My WebEx —Lets you access My WebEx, in which you can manage your account information and the meetings that you scheduled, on your WebEx service Web site. For details about My WebEx, refer to the online Help on your site. Account Settings —Opens the Account tab of the WebEx Settings dialog box and lets you specify your WebEx user account information—that is, the URL of your WebEx service Web site and your user name and password. You can also specify additional options in the WebEx Settings dialog box, such as options for instant meetings and scheduled meetings. Meeting Templates —Lets you view templates that you or your site administrator saved on your WebEx service Web site. The templates contain meeting settings. You can select the template that meets your needs. Meeting templates are available only if site administration settings allow hosts to use templates for Outlook. Set Scheduling Permission —Opens the My WebEx Profile page on which you can assign a delegate to schedule or edit meetings on your behalf. Help —Lets you look up instructions for using WebEx Integration to Outlook. About —Lets you view the version number and license and patent information about WebEx Integration to Outlook.

Productivity Tools Setup

- Go To your Microsoft Outlook page
 - Under the **WebEx** drop down menu, go to **Account Settings**

Account

Account options allow you to log in to your WebEx service site with your user name and password.

- Go to the **Account** tab within the **WebEx Account Settings** options
- Insert the URL for your Advanced Net or Customized Net conference server in the **Site URL** field.
- Enter your **Manage My Meetings** username and password
- Click **Remember my password**. This will store the user name and password you entered so that you do not need to enter your user name and site URL next time you log in.
- **Language**. Verify the language that is currently selected for your WebEx service site.
- **Locale**. Verify the country or locale that is currently selected for your WebEx service site.
- **Time Zone**. Verify the time zone that is currently selected for your WebEx service site.
- **Change settings for WebEx service site**. Open the **My WebEx > My Profile** page on your WebEx service site, and make changes to your profile.
- **Refresh**. Refresh the WebEx Settings dialog box with the most recent settings from the WebEx service site. If you have already setup your preferred settings on your Advanced or Customized Net WebEx site, those settings will populate the WebEx Settings within the Productivity Tools.
- Click **Apply** and then **OK**.

The screenshot shows the 'WebEx Settings' dialog box with the 'Account' tab selected. The 'Login Information' section contains fields for 'Site URL', 'User name', and 'Password', along with a 'Remember my password' checkbox and links for 'Forgot your password?' and 'Change password.'. The 'Language and Location' section shows 'Language: ENGLISH', 'Locale: U.S.', and 'Time zone: New York (Eastern Daylight Time, GMT-04:00)'. A 'Refresh' button is located at the bottom right of the settings area. At the bottom of the dialog are 'OK', 'Apply', and 'Cancel' buttons. Annotations include a red box around the 'Account' tab, a callout box for the 'Site URL' field with examples for Advanced Net and Customized Net, another callout box for the 'User name' field, a red box around the 'Refresh' button, and a red box around the 'OK' and 'Apply' buttons.

Scheduling a Meeting from the Productivity Tools

You may begin scheduling meetings via the Outlook toolbar.

- To do this, simply click: **Schedule Meeting**
- Click **Add WebEx Meeting**

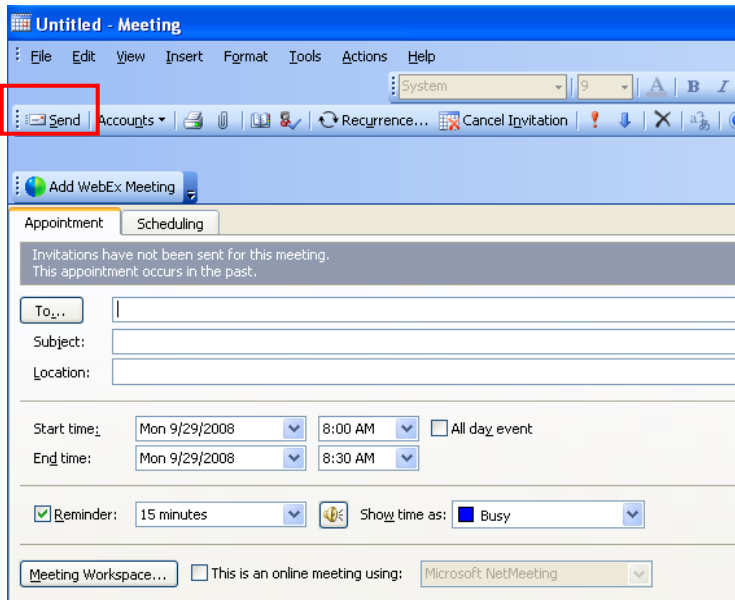

- The **WebEx Settings** box will appear and your Manage My Meetings defaults will appear
- Select the **Service type**
- Enter the **Meeting password** (required)
- Change any defaults for this specific meeting (if applicable)
- Click **OK**

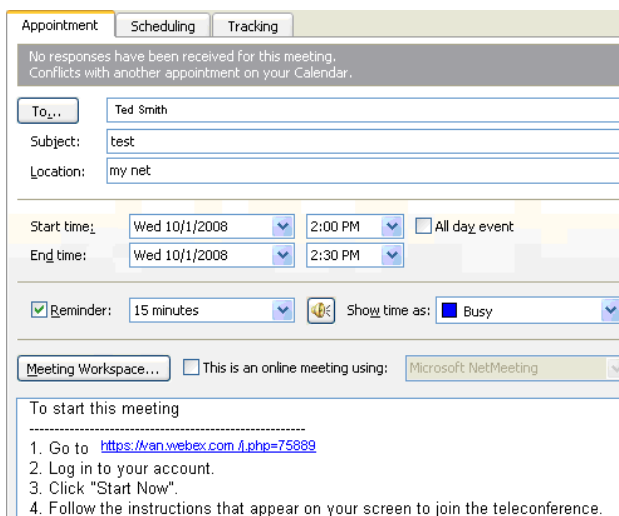

- This will bring you back to the meeting invitation.
- Complete the **To, Subject and Location** lines
- Click **Send**.
- This will contact your WebEx Service Web Site, add the scheduled meeting to your Outlook calendar and to your list of Meetings on your **My WebEx** Meetings page and send your meeting invitation to your participants.

Launch your Meeting

To launch your Net Conference, simply click the Meeting Reminder that has populated in your Outlook Calendar

- Click the link located under **To start this meeting** and Login to your account
- Click **Start Now** and your meeting will be launched.

Join a Meeting (participants)

- Click the link located under **To join this meeting** and Enter the meeting password
- Click **Join Now** and the meeting will be launched

No responses have been received for this meeting.

Quick Tips for Presenting

- Upload the slides in advance
- Rehearse the presentation
- Have an agenda and checklist
- Conduct the meeting in a quiet place
- Use a headset to keep your hands free
- Use polls to engage your attendees
- Use the Q&A tool to allow attendees to submit questions to maximize interaction
- Use the annotation tools to enhance the presentation
